The 356 Planner

Hey, before you write anything down, I want to tell you the honest truth.

You can achieve **ANYTHING**, you put your mind into. So, don't be afraid to set high goals and commit to it aggressively.

Whatever you will write down in this book, you're making a promise to see to its end this year.

Here is the Catch, for anything you don't achieve, you will have to get a *little Punishment* for it... lol (I will tell you about this during the LIVE class)

Answer the following questions below and be sincere with it.

The Overall Planner Question.

1. Describe your life on **31st December, 2022**. Write it like a comprehension. *Don't miss a thing*. (I will give you an example during the class)

2. Write down your Goals for each of these categories (write it like you're in the future)
